

To all Members,

The RGC Board, at their meeting held Monday, March 3, 2008, adopted a revision to our local rules that will be effective immediately. (See following page)

This is a revision to our Slow Play Policy. Please read it carefully as the new provisions will be enforced beginning with the 54-hole team event on the 9th of March.

We hope to have volunteers at the first and last holes to remind all competitors of their responsibility to record their times. However, if no one is present, you will still be responsible for recording them and subject to the penalty for non-compliance.

Rules Committee members, Charlie Aichele, Key Lyon, and Bob Pando will be available at the 54-hole tournament to assist you and answer questions.

Our hope is that this revision will help us overcome slow play and further your enjoyment of the game.

Par The Course,

Freida Aichele
RGC Rules Chairman

LOCAL RULE REVISION

SLOW PLAY

Playing time for a group of 4 on Diamond Oaks Golf course shall be 4 hours 40 minutes.

Each member of a group will be subject to a 2-stroke penalty for slow play if the group does not complete their round within 4 hours 40 minutes and within 15 minutes of the group in front of them. (A breach of both conditions must exist for a penalty to apply.)

Official clocks may be positioned at the teeing ground of the starting hole and the putting green of the finishing hole of the stipulated round. When clocks are present, each competitor **MUST** record on **their individual scorecard** the time the first member of their group tees off on the starting hole and the time that the flagstick is replaced after all members of the group have holed out on the finishing hole.

Failure to do so will result in a two stroke penalty.

Any imposed penalty may be appealed to the Rules Committee.
