

June 10, 2025, RGC Board Meeting Minutes

Called to Order: 6:30 PM

The May Meeting Minutes have been approved and posted

Present: Tim Turnquist, Steve Hendrickson, David Bills, Harry Wharff, Ron Floyd, Michael Rossiter, Jose Salcedo, Ron Floyd, Paul Wilson, Ken Lyon, Tom McElhatton, John Wharff

Absent: Dan McCullough, Scott Herman

President's Message: David thanked everyone who volunteered for the junior tournament yesterday. It went very smoothly and the First Tee appreciated how well the tournament ran. There was a mix-up with the range tokens regarding payment. David will get to the bottom of that. David also thanked the city and the grounds crew for replacing the 12th and 15th tee boxes.

VP Message: John shared Jim Espinoza's quote and design of the divot tools tee prize. The Board voted on the design.

Tournament Director: Harry shared that 75 signed up for the Memorial and 24 are scheduled to play at Whitehawk. Entries are beginning to role in for the Firecracker and DOTO #3. We will move away from the two-week deadline and return to the one-week deadline for future tournament entries.

Tournament Bookkeeper Report: Harry has the Memorial and the 54-Hole Individual tournaments paid. He is managing more of the tournament director role and Jose is taking over more of the money management of the tournament funds. Both people will be watching the money and accounts. All accounts are in good order. A question was asked about the payment of skins being paid in cash. Harry shared the difficulties of the way Venmo and Zelle work. Moving forward, if members would prefer skin winnings returned electronically, they simply need to let Harry and Jose know.

Treasurer's Report: Jose paid for the domain hosting and all accounts are updated.

Secretary's Report: The 2025 RGC membership now has 207 members, up one from last month. The shadowbox is updated and photos of the gross and net champion for the 54-Hole Individual major were posted.

Webmaster's Report: Tim has the website updated.

Rule's Chairperson's Report: Ken had nothing new to report.

Handicapper's Report: Mike has the Eclectic updated. He is updating the handicap lists to remove people who are no longer members of the club.

Correspondence:

- Ron Floyd, as our Club Ambassador, shared the latest news about the NCGA. They want to offer more assistance in club membership, participation, and engagement.

Old Business:

- The Perpetual trophies need to be updated. No progress has been made. Harry will take the lead on this.

New Business:

- Tom initiated a scholarship proposal for two \$500 scholarships for high school seniors after a First Tee administration vetting process. The Board will run the idea out to the membership regarding their interest before moving forward.
- Elections are coming up, so it's time to consider member-at-large positions and a new vice president.

Meeting Adjourned: 7:39 pm
