## PRESIDENT'S MESSAGE

Welcome to the Roseville Golf Club for Year 2003. We have a great schedule of tournaments, Home and Away this year, so join in the fun and sign up early!

The new Board and I are looking forward to this New Year and some challenges along the way. We will be asking many of you to assist on the various committees, so when asked I hope your response will be positive. We have the best golf club in the area and you, the membership, are the reason so **PLEASE GET INVOLVED**!

I would like to take this time to thank Gary Krohn for all his work this past year and the outgoing Board Members. I would also like to welcome the new Board members to the New Year.

I look forward to meeting as many of you during the year as I can and hope to see you at our first open meeting on **Thursday, January 16 at 7:00 p.m**. in the Legends and Heroes at Diamond Oaks.

# HANDICAPPER'S MESSAGE

Welcome to a new year of golf with the Roseville Golf Club. Our goal as a club is to have fun, play competitive golf and to ensure that there is a level playing field among all of our golfers. The Handicap Chairman and the Handicap Committee's job is to create a fair and balanced pool of golfers whose handicap index fairly represents their abilities.

One of the common problems that I've seen in our competitions is people who drop out of the tournament mid-round. Many of these players do not post a score or turn in a scorecard at the end of the round. Frankly, if you've played in the tournament, you should always post a score. You are hurting yourself if you don't because; it's likely that score would be higher than your average. If you pick up on a hole because of a lost ball or your own temperament, the rule is that you should post a score on that hole that you "most likely would have had". You would put in that score with an "X" next to it to indicate to us that you are disqualified from the tournament. More often than not, this score would be adjusted to the ESC (Equitable Stroke Control) limit for that hole. If you disqualify yourself prior to completing 13 holes, you would not post a T score, but if you completed the round, you would post your score as a non-tournament score with the adjustments made based on ESC. This can only help to more adequately reflect your actual index, which is our goal for every member of the club.

Also, please remember at home tournaments to turn in a scorecard. I will post your adjusted score for that tournament, so **DO NOT** post on the computer. On away tournaments, be sure to **adjust** your score and then post it on the computer as a **Tournament**. This will help make my job easier.

If you have any questions on this, talk to me or to any member of the RGC board. Good luck in 2003 and I'll see you on the course.

Ken Lyon

# SECRETARY'S MESSAGE

Welcome to Roseville Golf Club's 2003 members. For those of you that don't know me, my name is Chuck Heath. This is my third year as the Club Secretary. If you have any problems getting your club mail or NCGA news, please let me know. I maintain the address and phone lists as well as the membership portion of the computer at Diamond Oaks Golf Course. I can be reached on the Internet at janieh@cwnet.com, or by phone at (916) 784-2986.

*Eclectic tournament:* You may have noticed that the first tournament of the year is called the "Eclectic Tournament". If you plan to play in a number of tournaments played at Diamond Oaks this year, this might be an event of interest to you. What is it? We keep a record of your scores on all of the medal play tournaments played at Diamond Oaks over the course of the year (11 play dates qualify this year). In December we take the best score you've made on each hole during those qualifying events, add the total and then subtract your December 2004 handicap. A low gross and a low net winner will be selected overall, and then the rest of the players will be divided into flights, just as in a normal tournament. Eclectic tournaments are usually designated on the schedule by red ink, italics or shading to make them stand out.

*FAQs*

- ***Do I have to join the Eclectic tournament to play in the qualified events on the calendar?*** No not at all. The Eclectic tournament is a separate event that is played in conjunction with other events.
- ***How much does it cost?*** One $10 entry for the whole year.
- ***Do I have to sign up in January?*** You can join up at any time throughout the year. However, we will only keep track of your scores from the date you entered. We won't go back to past events. As long as you fill out an entry slip and give it to the tournament director on the day of an event, those scores and any that follow will count. Only complete scorecards for 18-hole events will be accepted. Sorry, partial cards where a player is DQ'd or does not finish the round it will not be counted.
- ***Do I have to play in all of the Eclectic events?*** You can play in as many or as few as you wish. However, the more you play, as a general rule, the lower your total score at the end of the season.
- ***What about the Match play tournaments, why don't they count?*** Match play scores don't count because you don't have to "hole" the ball on every hole. Your opponent can concede the hole giving you a birdie without you having to sink that 20' putt.
- ***Are there any other requirements?*** Yes, we ask that you put a large "E" below your name and circle it on Eclectic events. We make every effort to make sure that your scores get posted, but sometimes cards or even entries get overlooked.

In the past, I kept a separate accounting of the scores, but this year we are attempting to use the computer to reduce the duplicate paperwork so the posting will be a little different this year. Well that's all there is to it. Sound like fun? If you have any other questions give me a call.

Chuck Heath
