

PRESIDENTS MESSAGE

Welcome to all members of the Roseville Golf Club for the 2007 season.

I would like to start by thanking Joe Santone and his board for all their hard work over this past year. There were several difficult issues that presented themselves and I can truthfully say that only the guidance of an able and experienced person such as Joe could have done such an admirable job. I feel lucky to have him returning not only as Tournament Director but also as first Past President this year.

As your new President I would like all of you to know that it is desire of this board to make sure that all members of this club have an enjoyable experience at each and every event held throughout this year. With V.P. Ken Lyon, Handicapper Gary Krohn, Rules Chairman Freida Aichele, Secretary Chuck Heath, Treasurer Paul Christiansen, Webmaster Mark Konrad, Bookkeeper Jerry Cornelius, Second Past President Steve Hitchcock and board members Boyd Robertson, Doug Smith, Keith Erickson and Rick Rusk, I feel extremely fortunate to have the most experienced people helping me to achieve this goal. If you find your rounds to be anything other than enjoyable we feel like it is our responsibility to address and resolve the issue if at all possible. Please feel free to call on us at any time.

I look forward to meeting you at the first of our Board meetings to be held on Thursday, January 18, 2007 at 6:30 P.M. in the Legends and Heroes Snack Bar at Diamond Oaks.

See you in the short grass,

Neil Thomas
President

VICE PRESIDENTS MESSAGE

Welcome to the 2007 golfing season with your Roseville Golf Club. As most of you know, this is my second go around as club Vice President. The first time with Harry Wharff was a learning experience for me and with my work situation resolved (I'm the Boss now), I can freely volunteer my time and be a full time board member committed to keeping this golf club THE premiere golf club in the Sacramento region. I am strongly committed, as is Neil, to having the members of the board act as a governing body that works for the membership and my decisions and my voting will be based on what is in the best interest of all of our members. That said, we will be voting on a complete new wardrobe for each of the board members at the first meeting of the year. I am Just Kidding. The Christmas party was a huge success in December and thanks to Neil Thomas for his stewardship of the party. We will again hold the party at the Sunrise Golf Club for the fourth consecutive year and details will emerge as we move throughout this year. I want to thank those who voted for me and I look forward to working with the Board of Members in the coming year. All of your elected Board Members are volunteering their time to run this club. Please remember that when you give us your constructive criticism. Please do bring us your ideas and suggestions throughout the year and we will bring those items to the board for discussion and action on them. Have an excellent year on the course and play Ready Golf.

Ken Lyon, Vice President

TOURNAMENT DIRECTOR'S REPORT

Wow, what a year 2006 was! We had over 475 members and great participation at all events. We want to do just as well in 2007, so get a friend to join in the fun.

With so many members, it is to your advantage to sign up for events early, as some events will have limited fields. Changes made in 2006 will carry over to 2007 and this includes the penalty for slow play. **Remember your group is all responsible for keeping up the pace of play**, so if someone needs to speed up tell them. We never get complaints about players who are quick. It is also important for you as a member to be aware of **winter weather conditions**. Due to rain or frost your tee time can be affected and when these conditions arise **it is your responsibility to call the course**. Our Eclectic final was a prime example. We had a rain out and our rescheduled date had a one hour and 40 minute frost delay and was changed to a shotgun start. Those who did not call missed their time or started later by just assuming that their time would be moved back. So be sure to call the pro shop at 783-4947, if you have a question.

Tee times are assigned in the following sequence: Tournament Committee members, and those who volunteer their time to assist at tournaments at the check-in table or skins and

other duties. If you would like to volunteer, please send me an e-mail and I will put you on the list, next Board members, who volunteer their time and energy to make this club a success, and lastly, by entry date, so sign up early and play early. If those you want to play with sign up late, your time may be later, so if you want to play in a group, sign up together and make sure those people you list are actually playing.

We have many great away tournaments scheduled, but these have early deadlines and very limited fields due to deposits, so sign up early if you want to get in the event.

Finally, cancellations must be reported to the Tournament Director 24 hours prior to the event or there is no refund. We no longer have credits, as this is a bookkeeping nightmare if you cancel you will get a refund the next time you play, "**Calling the Pro Shop Does Not count as 24 hour notice**".

Your tournament committee is always open to suggestions to make these events fun for all. If you have ideas, please let me or any Board member know.

Finally, as most of you are aware, we will have a **white tee flight this year**. Anyone who would like to play in this flight needs to let me know prior to the Super Bowl Tournament. This is for the entire year, except at Special Events, or NCGA events which will be from the blue tees.

Well that's a lot of info, so let's stop here and I will see you at the Captain and Crew and Lincoln Hills.

Joe Santone, Tournament Director

Handicapper's Message

Hi everybody! Welcome to the 2007 version of the Roseville Golf Club. I am returning as the Handicap Chairman and want to thank my Committee consisting of Rick Rusk and Doug Smith. The Handicap Committee is responsible for posting all the scores after the tournament. If anybody else is interested in being on my Committee, please let me know.

I would like to remind everybody to post all your non-tournament scores as this reflects your true handicap. As in the past, the Handicap Committee will post ALL scores for Roseville Golf Club tournaments.

In addition, I am returning as the Eclectic Tournament Chairman. For those of you who don't know what the Eclectic Tournament is continue reading below.

Eclectic tournament: You may have noticed that the first tournament of the year is called the "Eclectic Tournament". If you plan to play in a number of tournaments played at Diamond Oaks this year, this event might be of interest to you. A new rule we will have this year is that there will be two different divisions of the Eclectic Tournament. Since

we are allowing players to play from the “White” tees, those players will be in a different division (White) then those from the Blue tees.

What is it? We keep a record of your scores on all of the medal play tournaments played at Diamond Oaks over the course of the year. Twelve play dates qualify as Eclectic events this year. In December, we take the best score you’ve made on each hole during those qualifying events, add the total and then subtract your December 2006 handicap. A low gross and a low net winner will be selected overall, and then the rest of the players will be divided into flights, just as in a normal tournament. Eclectic tournaments are usually designated on the schedule by red ink, italics or shading to make them stand out.

FAQs

• Do I have to join the Eclectic tournament to play in the qualified events on the calendar?

No, not at all. The Eclectic tournament is a separate event that is played in conjunction with other events.

• How much does it cost?

One \$10 entry covers the whole year.

• Do I have to sign up in January?

You can join up at any time throughout the year. However, we will only keep track of your scores from the date you entered. We won’t go back to past events. As long as you fill out an entry slip and give it to the tournament director on the day of an event, those scores and any that follow will count. Only complete scorecards for 18-hole events will be accepted. Sorry, partial cards where player is disqualified or does not finish the round will not be counted. Nor will events count where we play fewer than 18 holes due to course or weather conditions.

• Do I have to play in all of the Eclectic events?

You can play in as many or as few as you wish. However, the more you play, as a general rule, the lower your total score at the end of the season.

• What about the Match play tournaments, why don’t they count?

Match play scores don’t count because you don’t have to “hole” the ball on every hole. (Your opponent can concede the hole giving you a birdie without you having to sink that 20’ putt.)

• Are there any other requirements?

Yes, we ask that you put a large “E” below your name and circle it on your score card for Eclectic events only. We make every effort to make sure that your scores get posted, but sometimes cards or even entries get overlooked.

If you have any questions on either Handicap or Eclectic, please contact me at either gary_rgc@comcast.net or 782-3579.

Gary A Krohn, Handicap Chairman

Happy New Year to All

Yes it is a new year and I am still the rules chair person. I look forward to seeing all of you at the course and to meeting many new members. If you have any questions on any rules please contact me and I will do my best to answer your questions. I do keep up with new rule changes and use the USGA web site to keep informed. Lets have a great year and remember to always play by the rules.

TREASURER REPORT

While being your club treasurer for about 15 years, I would say that last year was one of the best years that the club has had financially. With the increase in membership, we were able to have a “no entry” tournament played at the Past-Presidents tournament in November. The General Fund was able to pay the entry fee for all players to be used for the prize fund in this event.

With the NCGA raising their dues by \$5 this year, we were able to keep our dues the same. Also, it looks like we may be able to have another “no entry” tournament this year. Watch the April newsletter for information on the “no entry” tournament and a general breakdown of where your membership money goes.
