**October 2010**

**PRESIDENT'S MESSAGE**

The Well, the 2010 season is coming to a close and it has been yet another great year with a large amount of new members turning out for the events. It is time to think about the upcoming elections at the October open meeting. The open meeting will be 6:30PM Thursday October 21<sup>st</sup> at Legend and Heroes. The positions open for election will be listed later in this letter.

I am taking this opportunity to encourage all members to attend our open meetings and participate in the decisions that affect the future of your club. Unfortunately we have had very low attendance leaving most of the decision making to the Board members and a handful of members. Many of you have expressed interest in our decision making process so I strongly encourage you to attend the meetings or at least express your opinions to one of us prior to the meetings.

I would like to congratulate Rico Johnson for winning the Club Championship. I would also like to congratulate all the flight winners. Great job!

A special thanks to our Board members for their outstanding job on all the committees they served on this year. Thank you to Neil Thomas and his tournament committee, for all their great effort in this year events.

Jesse Sierra  
President

**Vice President's Message**

Well the end of this year is coming and it has been a good one for all I hope. I want to invite all of you to the open meeting and remember it is election night for board of directors. Neil is taking nominations and write – ins are welcome. So again come out and vote and see how the club runs. Also we are having the Xmas party at Sierra View Country Club this year, it is a very nice place and food has been good in the past. We are limited to the first 75 guests this year. We will have the DJ and dancing after 9pm or when awards ceremony is over.

I look forward to seeing many of you at this and the open meeting.

Charlie Aichele  
V.P.

## Tournament Director's Message

As I sit in front of my computer gazing through my double paned window glass, in the background I can hear the weather lady on TV saying that this is the first day of Fall and in the next breath she reports that it is “a typical fall day with a temperature of 92 degrees with a changes ahead and a high of 97 by Sunday.”

It is hard to complain about the wonderful weather we have suffered with this past summer. Speaking of the change in the seasons, there are great changes in store for me as the club tournament director. A man who has been a blessing to me over the past couple of years will no longer be my guiding light in any storms that lie ahead. He has been an encouragement to me and one great source of inspiration as well as a wealth of information. I ask him to help me steer this

ship and he has done more than expected. I speak of Jerry Cornelius who after 4 years is putting the pencil back in the drawer and hanging it up. I will miss his attention to detail and the fact that he has “always had my back” over the past couple of years. But Jerry is leaving me in very capable hands by bringing aboard Doug Smith, who I am sure is going to be a pleasure to work with as well. I am looking forward to the coming year and his collaboration and his attention to detail.

Congratulations to Rico Johnson, the new 2010 Roseville Golf Club Champion. He managed to do what no one else has been able to do since 2007 and that is to dislodge Jay Conner from the top of the heap. Jay has been a great champion and I am sure he will be back again next year to try and regain the top spot. Also congratulations to the other flight champions Ben Hamasaki, Karl Kailikole, Stan Robertson, Steve Matthews, and Freida Aichele who proved she is capable of golfing and winning with the guys and making us all very proud.

The 2011 season will find us venturing once again to the Monterey Bay to play Poppy Hills and, for the first time as a tournament, to the “poor man’s Pebble Beach,” the Pacific Grove Municipal Golf Course. Also on tap is Timber Creek as well as a date in May in Carson City as well as another “local” away tournament. When the other courses have sent me their contracts, I will have an update for you, probably within the next few weeks.

In the meantime, enjoy the weather and play well.

I’ll see you on the course.

Neil Thomas  
T.D.

## **Handicapper's Message**

I just want to remind everybody that the Handicap Committee posts scores for all tournaments (home and away) with the exception of the Diamond Tournaments, Rose Cup Qualifier and any other tournaments sponsored by Diamond Oaks. For the Diamond Tournaments, Rose Cup Qualifier and any other tournaments sponsored by Diamond Oaks, you are required to post your own score as a "Tournament" (not "Home"). Do not forget to adjust your score based on Equitable Stroke Control. If you are unsure how to adjust, see the following link:

<http://www.usga.org/Rule-Books/Handicap-System-Manual/Rule-04/>

There are only three more play dates for the Eclectic Tournament. This is the current status of the eclectic Tournament:

<http://www.rosevillegolfclub.com/eclectic/2010/2010-Eclectic-091610.pdf>

If you have any questions on either Handicap or Eclectic, please contact me at either [handicapper@rosevillegolfclub.com](mailto:handicapper@rosevillegolfclub.com) or 782-3579.

See ya,  
**Gary A Krohn**  
Handicap Chairman

## **SECRETARY'S MESSAGE**

Well it is renewal time again. As of October 1<sup>st</sup>, we can start adding new members and they can play in the remaining tournaments for 2010 and all of the 2011 tournaments. New members can also get some required rounds in for the NCGA Qualifying events coming up next year as well. If you have a friend that has been thinking about joining, now is the time to follow through. Remember, join now, or join later, the membership is only good for the calendar year. Diamond Oaks is changing the Diamond Level membership, so it is currently not available. Scott Prenez is working on a new program and expects to roll it out early next year. We will pass along the information as it becomes available.

We were able to hold the line on membership prices this year, so renewals and new member prices remain the same as last year. Be sure to renew your membership by November 30<sup>th</sup> and save \$15. You can still renew in the pro shop, on line, in the tournament entry box at Diamond Oaks, and also by mail.

Please note the following and keep it in mind when you renew or pay for other events:

- ✓ If you pay by check, please make the payments for like items and don't combine them into one large payment. Tournament funds go to a different fund and it makes it difficult to keep track and transfer payments back and forth between accounts. You can pay for more than one tournament at a time, or you can pay for multiple memberships with one check, and also a number of Christmas party reservations with a single check, but please don't combine them all into one payment.
- ✓ Please renew early and keep track of your payment. Remember, there is a significant discount for renewing before the November 30<sup>th</sup> deadline. Around the end of November there will be a reminder to renew. If you renewed early and receive a call, please let me know so I can check your status to make sure the application did not get missed. There were some problems with Pay Pal last year that took some time to sort out as well as payments to the Pro Shop that were filed before I processed them.
- ✓ Please fill out your application in full. There are sometimes changes in phone, email, and address listings, and we need to verify that our current information is correct. Make sure you can receive email at the email address you give us. We get quite a few kickbacks from business addresses.

If you have a change of address, phone number or email, please use the quick link at [www.rosevillegolfclub.com](http://www.rosevillegolfclub.com) as it will notify all of us that need the information. You can contact me directly at [chuck.heath@comcast.net](mailto:chuck.heath@comcast.net) or on my cell phone at 916 995-9986. Thanks again.

Chuck Heath  
Secretary 2010
