

## September 2011

### **President's Message**

Well, it is time to vote for the new board members already and I hope all members will come to the open meeting and vote. There will also be a vote on the proposed bylaws revisions.

It has been a very good year for golf the weather has given us many nice and not too hot days. The David Oxley Jr. golf tournament was a great event this year again. Makes me proud to be a member of a club that has put this event on for well over 40 years it is just keeps getting better.

The club has been running smooth this year and this has made my time as your President very enjoyable! This was partly due to the great board members and members at large that belong to this club. I want to thank all of you.

Charlie Aichele  
President  
Roseville Golf Club

## Vice President's Message

Hello RGC Members.

Yes the year is rapidly coming to a close. I sure hope that you have all taken the opportunity to play in some of our club tournaments. There are still a few GREAT tournaments on the schedule for you to enjoy. The Invitational Tournament is always a fun event. Sign up a friend to play in the scramble tournament and enjoy the delicious tri-tip lunch that follows. If your friend can't play that day, join up with another club member and enjoy the day. Then my favorite tournament of the year, Monterey! This year we are playing the Pacific Grove course on Saturday and Poppy Hills on Sunday! Check with our tournament director if you are interested in playing Monterey as this tournament has a limited number of tee times and they might be filled. After the Monterey trip we close out the year with the Past Presidents- Tournament of Champions event followed by the Turkey Shoot tournament, and closing out the year, the Eclectic Final in December. Our Tournament Director, Neil Thomas is diligently working on next year's schedule and hopes to have it completed sometime in the near future.

This month, we have our last OPEN Meeting of the year on Thursday night, September 22<sup>nd</sup> at 6:30PM in the Legends and Heroes snack bar at Diamond Oaks. Please join us this evening as we are electing new officers to the Executive Board for 2012. There is also a required vote on a couple of club bi-law proposals that need your approval. If you are interested in a position on the Executive Board and would like to submit your name, please contact Neil Thomas or Brad McKernan with your request and they will put your name on the ballot. I hope you plan to attend this important meeting!

On December 3<sup>rd</sup> we will host our Annual Christmas Party at Sierra View Country Club. I am working on this party and will try to make it a very enjoyable evening for all that attend. We will have an awards ceremony following dinner for all members that won a trophy earlier in the year. The cost will be \$30.00 a person which includes a fantastic dinner followed by an evening of dancing to your favorite requested tunes. I really think that you will have a great time and I hope to see you there!

Finally, I want to express my gratitude to my friends and club members that have helped me learn and better understand the executive board of the Roseville Golf Club. I am still learning. Thank You ALL!

See you on the course!

Tim Bryan  
Vice President  
Roseville Golf Club

## **Tournament Directors Message**

The end of 2011 is fast approaching and another great year is in the books.

This is the time of the year that ushers in new officers that will steer the RGC ship through the perilous waters of 2012. At our Open meeting in September we will elect new members of the Roseville Golf Club Board. The positions open for election are President, Vice President, Secretary, Treasury Secretary and three members-at-large. If you have a desire to be on the board and learn how this club operates and functions,

this is the way to do it. If you wish to include your name as a candidate for one of the positions, simply drop me or Brad McKernan an e-mail and let us know. Candidate's names may also be submitted from the floor on the evening of the elections. Our e-mails are:

Neil Thomas.....caboclavo@wavecable.com

Brad McKernan.....mac300@surewest.net

The tournament schedule for 2012 is still a work in progress. This year we are trying to work with Diamond Oaks and Woodcreek golf courses so that we will not have conflicting dates. The majority of the conflicting tournaments can be avoided but we may have a couple that will require some creative finagling to satisfy the players. As stated in the last newsletter, we will be conducting four weekday tournaments in the year 2012. If we have a successful turnout we will continue to have them but if they prove unpopular, they will be discontinued. So please come out and support them. They will be held on Tuesday's starting at around 8:00 am. They will be like our other tournaments with "due dates" and entry fees. We are looking at doing one tournament in late April or May, one in June or July, one in August or September and one in October. The prize winnings will be placed on the books at Diamond Oaks and you can redeem them at either Diamond Oaks or Woodcreek golf courses. Be sure and check the schedule for the exact dates and times.

Congratulations to Cam LaCasse, the new R.G.C. Club Champion.

Congratulations to the other flight winners, John Sollo, Mark Donnan, Ken Lyon, Steve Matthews, Jim Feczko, Bill VandenBosch, and Mike Goin.

It has been a pleasure being your Tournament Director for 2011.

Neil Thomas  
RGC Tournament Director

## Handicapper's Message

Hello everybody,

I have been approached a number of times in regards to what constitutes a restriction on your handicap designated by an "R" next to your index on the handicap report.

You first have to know the differential on your two lowest tournament scores. This information is contained on the GHIN Website

<http://www.ghin.com/lookup.aspx>. You then subtract your second lowest tournament score from your handicap index. If the difference is more than three, you may be subject to reduction. We'll use the following example:

The player's index is 23.8 and his two lowest tournament scores are as follows:

SCORE	COURSE RATING	COURSE SLOPE	DIFFERENTIAL
87	69.4	122	16.3
88	69.4	122	17.2

USGA Handicap Index: 23.8  
Second Lowest Differential: -17.2  
6.6

Since 6.6 is greater than 3.0, continue.

Average the two lowest tournament score differentials.  
 $(16.3 + 17.2) / 2 = 16.75$

Subtract that average from the player's Handicap Index.  
 $23.8 - 16.75 = 7.0$

Using the number derived (7.0) and the total number of tournament scores (available on the GHIN website) in the player's record, enter the Handicap Reduction Table below to determine the amount the player's Index is to be reduced. In our example, the player had 22 tournament scores, so the player would have an adjustment of 2.1 resulting in an index of 21.7 ( $23.8 - 2.1$ ).

## HANDICAP REDUCTION TABLE

AVERAGE OF BEST TWO T-SCORE DIFFERENTIALS BELOW HANDICAP INDEX	NUMBER OF ELIGIBLE TOURNAMENT SCORES

## Secretary's message

Well it is renewal time again. As of October 1<sup>st</sup>, we can start adding new members and they can play in the remaining tournaments for 2011 and all of the 2012 tournaments. New members can also get some required rounds in for the NCGA Qualifying events coming up next year as well. If you have a friend that has been thinking about joining, now is the time to follow through. Remember, join now, or join later, the membership is only good for the calendar year. We don't know yet what will be offered for the Diamond Level membership or what the cost will be for 2012.

We were able to hold the line on membership prices this year, so renewals and new member prices remain the same as last year. Be sure to renew your membership by November 30<sup>th</sup> and save \$15. You can still renew in the pro shop, on line, in the tournament entry box at Diamond Oaks, and also by mail.

Please note the following and keep it in mind when you renew or pay for other events:

- ✓ If you pay by check, please make the payments for like items and don't combine them into one large payment. Tournament funds go to a different fund and it makes it difficult to keep track and transfer payments back and forth between accounts. You can pay for more than one tournament at a time, or you can pay for multiple memberships with one check, and also a number of Christmas party reservations with a single check, but please don't combine them all into one payment.
- ✓ Please renew early and keep track of your payment. Remember, there is a significant discount for renewing before the November 30<sup>th</sup> deadline. Around the end of November there will be a reminder to renew. If you renewed early and receive a call, please let me know so I can check your status to make sure the application did not get missed.
- ✓ Please fill out your application in full. There are sometimes changes in phone, email, and address listings, and we need to verify that our current information is correct. Make sure you can receive email at the email address you give us. We get quite a few kickbacks from business addresses.

If you have a change of address, phone number or email, please use the quick link at [www.rosevillegolfclub.com](http://www.rosevillegolfclub.com) as it will notify all of us that need the information. You can contact me directly at [chuck.heath@comcast.net](mailto:chuck.heath@comcast.net) or on my cell phone at 916 995-9986. Thanks again.

Chuck Heath  
Secretary 2011
