First Past President's Message

Hello members of the Roseville Golf Club! The season is winding down but there is still plenty of golf left to play. In this newsletter I want to give an update and talk about the social media piece of the club. This committee is led by Matt Eidsvoog and myself, along with Gary Krohn and Jesse Sierra. We are on Twitter, Instagram and Facebook. Twitter and Instagram are under @rgcsocial and Facebook is Roseville Golf Club. You can also access the information on the RGC website at www.rosevillegolfclub.com. Currently we use the accounts to post results from tournaments, entry deadlines, photo's from events and other useful club information. The Facebook page also has useful tips and articles from the worldwide media from time to time. In the future we will begin to develop our own material such as rule discussions where we will go out on the course at Diamond and talk with the rules committee on specific rules at Diamond Oaks. We will be posting videos on game improvement including drills and tips from various professionals and members. We also plan to have a little fun with it as well and do some trick shots. If you have any suggestions or would like to see us do a segment on a specific rule at Diamond Oaks or help with a specific part of your game let Matt or I know or comment on the Facebook page and we will get to work on it.

One thing of note, if you view a photo or a post on any of the accounts, please click like or make a comment. The reason why we ask this is when you view a post on Facebook and click "like", that helps our club in marketing. As when you like something, your friends now see it and if one of them like it their friends see it and so on. It really helps the club get our brand out there and potentially more members. So if you see it on Facebook, Instagram or Twitter, please like it or comment on Facebook, like it or comment on Instagram or retweet it on Twitter. Again if you have any questions on this, let Matt or I know and we will assist you. If you want our help in setting you up to the accounts let us know as well. Thanks

to all you members for supporting the Roseville Golf Club and see you out on the course.

PRESIDENT'S MESSAGE

Hello Roseville Golf Club members. This year has been flying by and I cannot believe that it is already heading into the final quarter of the year. The year has been filled with several fun events and I am sure the rest of the year will continue to add to this great year. We have one more away event that I hope to see another good turnout.

I wish to give my congratulations to Paul Wilson who is this year's Cub Champion.

This will be my last newsletter of 2015 and I would like to thank everyone from the board for their support on such items as the update of the by-laws and the tournament guide, the changes of the mid-week events to be counted as tournaments, and testing of

all flight skins.

I thank each and every board member for your service through the year . The board and our membership make this the best club around. We had some bumps with some of the changes this year, but I hope they have made us a stronger club going forward for next year's board and any future board.

Our next open meeting is on Thursday September 17th at 6:30PM at the Legends and Hero's at Diamond Oaks. This will be the election night so come and be involved in electing your board for 2016. Thanks to the membership for allowing me to serve a 2nd term as the RGC President and for your support.

Vice President's Message

Hello to all Members! Attached to this newsletter is a flyer outlining our 2015 Christmas Party, please make note of the date and venue. A Special Thanks for all of you who participated in our 50/50 raffle throughout the year. The funds collected have allowed us to once again keep the cost of the Christmas party to a minimum. The Christmas party will include an introduction of the 2016 Board of Directors, a great holiday dinner, dancing and raffle prizes. Trophies will also

be awarded to those who won various tournaments throughout the year. If you haven't attended in the past you are missing out on a great opportunity to share a holiday tradition with your golfing buddies and their significant others.

The Christmas party is also a great opportunity to bring a family member or a friend who may be thinking about joining RGC.

I want to extend a special Congratulations to Charlie Aichele for running another successful and fun filled Twilight League. Charlie has been running the league for many years and does a tremendous job!

SECRETARY'S MESSAGE

Hi everyone, the 2015 membership year is closed as of August 31st. We finished the year with 287 active members. Membership for 2016 will start on October 1st. If you know of anyone that would like to be a member, but hasn't yet signed up, we have a special new member promotion going on as of the Invitational Tournament. Through September 30th, they can join at the existing member renewal price of \$80 during that time frame. They can sign up on Pay Pal and use the "member renewal before December 15th" link. They can also download a copy of the membership application at the www.rosevillegolfclub.com website and submit or mail it with payment, or drop it in the box at Diamond Oaks.

There are also forms available at Diamond Oaks in the pro shop. Just line through the 2015 date and put in 2016. NCGA closed entries from September 1st to 30th, so I already know it will be for 2016. If they join now, they can have the benefit of a 15 month membership as their membership would activate for the rest of 2015 and all of 2016. There are still several tournaments before the end of the year, and new members can get a jump on qualifying rounds for the major tournaments to be eligible to play and compete for those tournaments individually or as part of your team. See the major tournament qualification section on the tournament schedule on line or at the course.

As of this writing, the Diamond level benefits and fees have not been finalized but are expected soon and will be updated on the membership form when it becomes available. As always, you can renew your regular membership or sign up a new member and add the Diamond membership at a later date. If you purchase the Diamond upgrade through the pro shop, they can give you the member package at the time of payment. Most everything in that package is only good for dates in the 2016 calendar year anyway, so it doesn't matter if you do that part later.

I also maintain the address and phone lists as well as the membership portion of the computer at Diamond Oaks Golf Course. I can be reached by email at chuck.heath@comcast.net, or by phone at (916) 995-9985. If you have an email or address change, please use the link on the website at www.rosevillegolfclub.com so that the tournament director and the vice president will get the change as well. Welcome to Roseville Golf Club's 2015 members.

Tournament Bookkeeper's Message

Hello all, well it is election time and I hope to see all at the meeting to get their vote in and counted.

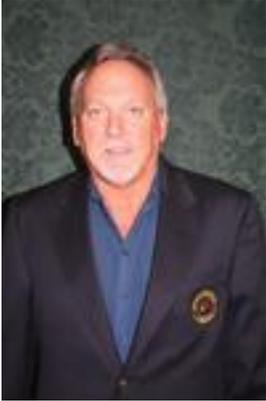

As for the books I feel we are in real good shape and will be fine the rest of the year.

It has been my pleasure to serve all of you at this position this year and feel most went quite smooth.

I did have a couple of mistakes in the early part of year but being the great club we are the members forgave me and we moved ahead. I look forward to seeing all of you at the course.

Charlie Aichele

Tournament Bookkeeper

Handicappers Report

EQUITABLE STROKE CONTROL

Course Handicap	Maximum Number on Any Hole
9 or less	Double bogey
10 through 19	7
20 through 29	8
30 through 39	9
40 or more	10

I always include the ESC table in my reports and hopefully you are all using it and adjusting your scores before posting them.

It is hard to believe that we are in September and here's hoping that we actually see the fruits of the promised Super EL Nino that is supposed to drench us in rain this Fall and Winter. The Eclectic results are rounding into shape and there are still four events left (including Labor Day) that will make up your final score for the year in this yearlong event. There are still plenty of opportunities to get out and play some golf. If you have a friend interested in joining the Roseville Golf Club, have them join this month and not only will they get the renewal rate, but they will also get the rest of this year and all of next year to enjoy their new membership. Take a look at Chuck Heath's posting for details.

As always, it has been a pleasure being your Handicapper again this year. Gary has been a fast study on the Tournament Director position and Charlie has been a big help in getting the entries to me for each event so that I can do the handicapping. Steve Ries is a pro at keeping up the Eclectic standings and Jesse Sierra on the Player of the Year standings. Your boards of officers work hard and are a great group of people to hang out with. I'll see you on the course.

Ken Lyon, RGC Handicapper

Rules Chairwoman

Well we are over half way through the year and there have not been any major Rules decisions come up, this means we are all playing good fair golf.

The time clocks are doing their job along with the players since I have not had any penalties to issue this year.

Great job by the whole membership and keep it up , slow golf is not fun.
