October 13, 2026, RGC Meeting Minutes

Called to Order: 6:30

The September Open Meeting Minutes were approved and posted.

Present: John Wharff, Harry Wharff, Karry Przepiorski, Dan McCullough, Tim Turnquist, Ron Floyd, Scott Herman, Paul Wilson, Mike Rossiter,

Absent: David Bills, Jim Espinoza, Yianni Lenakakis, Jose Salcedo, Steve Hendrickson,

President's Message: John thanked Dan and Harry for the hard work on the Invitational and the push to ensure that it was a shotgun start.

VP Message: Dan heard good responses to the Invitational and the food and tee prize. There were 86 total participants. A question was raised about possible future food choices and the opportunity to spread out the foursomes a little more.

Tournament Director: Harry shared that Rancho Solano and Chardonnay are still on and both only have 15-16 players. The high score on a hole has been set to double par. The low turnout is surprising given the locations and quality of courses. Harry will update all of the trophies for the 2026 winners. This is our last tournament with Golf Genius. Blue Golf will take over after the away tournaments.

Tournament Bookkeeper and Treasurer's Report: All tournaments have been paid for.

Secretary's Report: The membership application is ready for the 2027 season and members may now renew. There was a very low signup from the Invitational. A suggestion was made to waive the entry fee ($25) if the guest signs up for the upcoming season. In addition, the board looked at ways to incentivize it for members.

Webmaster's Report: Tim is backfilling the results from the 2020 season. He will upload the 2027 membership application on the website.

Rule's Chairperson's Report: Steve was absent and had nothing to report. A question was raised about the downed branches at the course. Players are only allowed relief if the branch affects the swing or stance. There is no line-of-sight relief.

Handicapper's Report: The handicaps are updated. Mike reviewed the handicaps of members throughout the entire year to look for any sort of manipulation.

Correspondence:

- Nothing to report.

Old Business:

- A proposal was made for a legends bracket in the upcoming club championship. Those over 75 would qualify. The white tees would be played. It was suggested that it be played with a handicap. The tournament committee will discuss this. Harry looked into the membership and found that only three members are that age and consistently play in tournaments. A possible change could be lowering the age to 70.
- All away tournaments will be played with a maximum hole score of double-par.

New Business

- An idea was brought up for a way for members and companies to advertise on the website for a small fee. Tim and Scott will look into it. In addition, there are members interested in redesigning the website to make it more user-friendly.
- More advertisement for Roseville Golf Club needs to made available at the course.
- Blue Golf has the ability to keep track of the leading money winners over the course of the entire year. Harry will show Paul to how to access it.

Meeting Adjourned - 7:45 PM
